Dear Parishioners,

A very merry Christmas to you all! We are delighted to be celebrating these Christmas days with you. On this Feast of the Holy Family we think in a special way the families of our parish and the family to which each of us belong. These are indeed precious, so let's remember them in the offering of the Mass today.

It is great to see families coming home for Christmas but also the difficulties that some have faced unable to be together because of the Pandemic. We continue to live in very uncertain times and this Christmas is still somewhat different from two years ago. We know some of you will have been disappointed not to have been able to get to Mass because you have needed to isolate or have been unwell. In the midst of these difficult circumstances, please know that the Lord has come to dwell amongst us and gives his love and peace to all who turn to him.

With our prayers and kindest wishes as we continue to celebrate the Feast of Christmas.

Fr Jonathan & Fr Alex
